

# Argyll

Take the A338 Spur Road/Wessex Way; at the roundabout after Richmond Hill turn left and at the top of the road, go straight across the roundabout into Durley Chine Road. At the next roundabout, go right round and take the last exit into West Cliff Road. You'll see from the map that there are several different options to continue, but it's suggested you take the second West Overcliff Drive turn (left) and just carry on along this road to Argyll Gardens; unfortunately, you will have to park on the road.
