## Overview map

## Detail map

There is more than one journey option, shown on the overview map marked in grey and blue (we'd suggest the blue which is the shortest distance and which takes you through Burley and Brockenhurst).

Whichever you decide to take, you'll eventually join the A337; stay on this road and, after passing Victory Park on your left, turn left into Avenue Road, which is the B3054; a short distance along this road, turn right into the service road leading to the Sports Ground car park.
