## Information For New Members

This guide is particularly designed for newcomers to our Club to help them in their search for information, guidance, equipment and accessories. However, parts of it may help established members, also. We hope everyone who reads it will find it useful.

### Club Information

Telephone (when the clubhouse is open): 07591 953343

### Club Shirts

The Club keeps a supply of shirts in Club colours. If you are selected to play in any of the League matches, a shirt can be loaned to you or, if you prefer, you may purchase one for £25. Further information about this may be obtained from the relevant team captain or a member of the Management Committee (see the list at the end of this document). In any event, any playing club member will be able to point you in the right direction.

### Club Bowls

Bowls (Woods) of various sizes and weights are available to borrow and are stored in the club equipment shed. Ask anyone if you need to gain access.

### Coaching

Debbie Senior, the Ladies' Secretary, is a fully insured Level 2 Club Coach qualified to coach beginners, improvers and to hold delivery analysis clinics. You can contact her on 07818 033832 if you would like to make appropriate arrangements. There is no charge.

We will endeavour to disseminate information about these as widely as possible, usually by e-mail to those members who have access to the facility. However, you should monitor the notice boards frequently so you can add your name to any lists which will be displayed at least two weeks prior to an event. If any matches become over subscribed, we will do our best to ensure that everyone wishing to participate receives an equal chance to play, based upon previous appearances, if any.

The Mens' and Ladies' notice boards display details of forthcoming club events and news of teams and competitions. The Club has its own website which is regularly updated with Club news and has links to enable you to follow the progress of the various teams in the Bournemouth and New Forest Leagues.
